RAIL SHUTDOWN NOTICE - CV03/CV04 PROJECT 23 & 24 Oct 2016 and 3, 4 & 5 Nov 2016

As part of the CV03/CV04 project Marine & Civil will be required to construct fencing and barricading inside the Rail Corridor to delineate their required work site for the CV03 rail overpass section. During the periods identified below the delineated area will be exempt from all requirements under the Rail Safety National Law and will instead be managed by MWPA Project Manager Shaun Knowles in conjunction with Marine & Civil Construction Supervisor Mick Ward.

The fencing will be in place on the following dates between 10am - 4pm:

- 23/10/16,
- 24/10/16,
- 3/11/16,
- 4/11/16 and
- 5/11/16

During these periods works within the delineated area will not require the following Permit:

- **Form F4.1k Application for Works in the MWPA Rail Corridor.**

Before the fence is erected, track protection against rail movements will be installed by MWPA Rail Supervisors to ensure the safety of the crews working in the fenced area.

The area fenced off will be from Berth 3 Rail Access gates to 10m West of CV03.
