SCALE 1:500 (on A1 Sheet)

The main map area displays a detailed plan of the Geraldton Port infrastructure. It includes various buildings, roads, and service lines. Key features include a large rectangular area on the left, possibly a wharf or storage area, and a series of parallel lines running vertically, likely representing a conveyor system or railway tracks. The map is overlaid with a grid and includes various symbols and labels corresponding to the legend. A north arrow is located in the bottom right corner of the map area.
